## Beskrivelse/Description

Efter Nanna Ditzels mand Jørgens død i 1961, fortsatte hun med at designe og lavede bl.a. denne skønne gyngestol Nanny.

Gyngestolen Nanny var en af de første stole designet ud fra idéen om en stol uden ben.

Gyngestolen fås i 2 farver: Natur eller i mat sortlakeret

After Nanna Ditzel's husband George's death in 1961, she continued to design and made particular This beautiful rocking chair Nanny.

The rocking chair Nanny was one of the first chairs designed with the idea of a chair without legs.

Rocking chair comes in two colors: Natural or matt black lacquered
