## PARADISO

Paradiso is the best in Brazilian hammock comfort and something quite special: Only very few looms are suitable for making a 1.75 m wide sheet. In order to make this giant hammock both extra sturdy and super soft at the same time, almost 5,000 threads are woven together!

We connect the extra thick cords again here by hand with a woven band so that concentrated loads are compensated for, giving the hammock a very long operational life.

### Product data:

			
ca. 250 x 175 cm	ca. 360 cm	max. 200 kg	ca. 2,5 kg

- Material: coloured hammocks: 85% cotton (recycled), 15 % polyester
