PC PORTABLE

PRODUCT FACT SHEET

PC PORTABLE

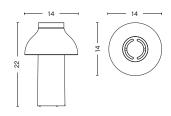

DESIGN BY PIERRE CHARPIN, 2018

Pierre Charpin's PC Portable Lamp is a refined and portable freestanding lamp for indoor and outdoor use. Constructed in robust plastic and featuring a matte scratch- and water- resistant finish, its battery-powered design gives the freedom and flexibility to move it anywhere. The light source is hidden from view by a polycarbonate diffuser, available with both downlight and ambient output options, depending on the desired use. The PC Portable Lamps are available in several mono-colour designs or a selection of playful colour combinations, making them ideal for table lighting in numerous domestic environments, as well as at cafés, restaurants and other public areas.

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection.
- · A compact, portable and robust LED-based lamp that can be used freestanding in a number of different environments and applications.
- ·CE and ETL approved for both EU and US markets.
- $\cdot \text{Includes replaceable LED light source ensuring a life span of at least 25,000 hours of use.} \\$
- ·Integrated touch step dimmer switch on the base of the lamp.
- ·10 hours of autonomous usage.
- · Qualified for contract use.
- · Suitable for both indoor and outdoor environments.

DIMENSIONS

WIDTH 14 CM | 5.5" DEPTH 14 CM | 5.5" HEIGHT 22 CM | 8.7"

MATERIALS

LAMP BODY

Injection moulded ABS, with a translucent PP diffuser.

LAMP SHADE

Injection moulded opaque ABS for Soft black and Olive lamp, translucent PP for Cream white.

CORD

PVC USB cable (100 cm).

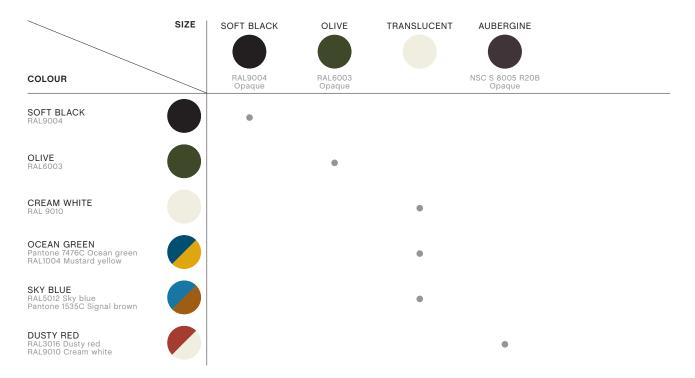

OPTIONS

A USB charging station able to charge 24 PC Portable lamps simultaneously. Designed for settings where multiple PC Portable lamps are used on a regular basis.

COLOUR & FINISH

Please note that the colour codes are indicative.

The colours (soft black & olive) for the PC Portable are created to fit our range of outdoor furniture, but will equally suit any indoor environment as well. The translucent shades provides an ambient light, whilst the coloured shades provide directional down light.
