# Romantica Exterior Dining Chair

For the 2026-Season we are proud to present the Romantica Exterior dining chair in our own original design.

The Romantica chair is designed by Sika-Design and has been available in our indoor rattan collection for many years. Our new outdoor Romantica chair offers the same charm but has the advantage that it is manufactured in highly weather-resistant materials making it suitable for all year outdoor use.

Romantica Exterior is based on the same great craftsmanship as the indoor rattan version. The aluminum frame is bend by hand and handwoven with our own extremely durable Sika-Design ArtFibre®. The aluminum frame is further carefully painted by hand inspired by the beautiful structure of natural rattan.
