Coco lounge chair by Nanna Ditzel

For the 2026-Season we are proud to present the Coco Exterior lounge chair designed by Nanna Ditzel.

Nanna Ditzel (1923 - 2005), 'The Grand Dame of Danish Design', was one of the most influential and significant Danish designers of the 20th Century. Ditzel's designs are often characterized by soft curves and geometric shapes, which also applies to our new Coco lounge chair designed by Nanna Ditzel in 1973. The chair is based on perfect circles, and half circles, which is particularly visible from top view. These circles were also the inspiration for the name Coco.

The Coco Exterior lounge chair is handcrafted in aluminium and ArtFibre for outdoor use. The frame has further been carefully painted by hand giving it the same cozy expression as rattan.
